Late Breaking Abstract Submission Opens: June 3 - 14, 2020

PLEASE BEGIN A SUBMISSION ONLY AFTER
1) COMPLETELY READING GUIDELINES AND
2) FINAL ABSTRACT IS READY TO UPLOAD/SUBMIT

Authors with new study data or developments to report who were unable to submit abstracts by the April 15 deadline are invited to submit abstracts June 3-14.

Late Breaking Abstracts must satisfy one of the two following criteria:

1. Abstract describes a major clinical trial that is likely to have significant impact on clinical practice, using data unavailable by the regular abstract submission deadline of April 15, 2020.

or

2. Abstract describes a discovery representing a major advance in the field based on critical experiment(s) performed after the regular abstract deadline of April 15, 2020.
Please note:

- The Abstract Submission site is independent of the Child Neurology Society.
- You will be required to create a username and password before beginning a submission.
- Note: You may use the same username/password as you have for the Child Neurology Society or ICNA, however, you will be required to create this independently on the Abstract website.
- All auto generated emails will appear as they are coming from CNS National Office: (Nationaloffice@childneurologysociety.org)
  (Some auto generated emails may appear in your spam folder. Please be sure to check your spam folder if you do not receive an email after completing a submission.)

Submission

1. CNS or ICNA Membership not required for abstract submission or presentation.
2. First Author listed will be required to verify work submitted is their own.
3. Work submitted on behalf of a company, institution or association (e.g. pharmaceutical company) must be clearly identified as such in “Abstract Addendum” section and/or “Supplementary Information” (Financial Disclosures/Grants)
4. Multiple submissions allowed. Multiple authors allowed. (Max. 3 submissions per presenting author)
5. Word Count: 250 (does not include title, authors, or text embedded in graphs or graphics; maximum 2 graphics allowed)
6. Work presented at other meeting(s) and or recently published will be reviewed; author must identify previous presentation venues and verify work was presented before a substantially different audience in space provided.
7. Abstracts should be broken into four-header format
   
   OBJECTIVE:
   METHODS:
   RESULTS:
   CONCLUSIONS:

8. SAVE & FINALIZE when submission is completed. Once your submission is completed, submitter is required to click “Publish” and the submitter will receive a confirmation email to verify completed submission has been received.
Review & Presentation

1. Abstracts will be reviewed by minimum of 3 members of the CNS & ICNA Scientific Selection & Program Planning Committee assigned by the committee chairs.
2. For this round, priority will be given to trainees, junior members, and authors from low- or moderate-resource countries, but submission is not limited to those groups.
3. Anonymous review; author ID is not available to reviewers prior to final selection of abstracts.
4. Notification of acceptance and guidelines for presentation will emailed to first author on or before July 1, 2020.
5. Notification of non-acceptance will be emailed to first author on or after July 1, 2020.
6. Authors presenting papers in platform/plenary session(s) will be required to adhere to ACCME financial disclosure/conflict of interest guidelines as defined by the meeting Joint CME Sponsor, MN Medical Association.
7. Abstracts accepted for presentation will be published in JICNA (Journal of International Child Neurology Association) and the Annals of Neurology supplement. Submitting authors assume all responsibility for accuracy of information submitted and printed.
8. Authors of abstracts accepted for presentation are required to register for the 16th ICNC/49th Annual CNS Meeting. A registered proxy listed as contributing author may present in the event that the first author is unable to attend.
9. Authors are responsible for all expenses related to attending and presenting at the meeting. No honoraria will be awarded for poster or platform/plenary presentations.
