

2021 Bernard D'Souza International Fellowship Award

The Child Neurology Society is now accepting applications for the 2021 Bernard D'Souza International Fellowship Award, which will sponsor two child neurologists from developing countries to attend the 50th Annual Meeting of the Child Neurology Society Meeting in Boston, Massachusetts virtually. The meeting is scheduled to be held September 30-October 2, 2021.

The purpose of the award is to promote child neurology in developing countries.

- **Due to COVID restrictions awardees can participate in the meeting in a virtual format.**

Award notification will be emailed on or after July 31, 2021.

[Click here to submit an application](#) on-line thru July 15, 2021. Applicants will be required to upload a CV and up to three letters of recommendation.

Requirements:

- Applicant trained in a low-income or middle-income country
- Applicant is practicing child neurology in an academic environment in a low-income or middle-income country
- Applicant should prepare a scientific poster in English to present at the annual meeting
- Preference will be shown to applicants less than age 45 years, practicing in a poor resource setting.

Expenses covered:

Registration fee waiver to attend the 50th Annual Meeting of the Child Neurology Society virtually.
