### Submission

1. CNS Membership not required for abstract submission or presentation.
2. First Author listed will be required to verify work submitted is their own.
3. Work submitted on behalf of a company, institution or association (e.g. pharmaceutical company) must be clearly identified as such in "Abstract Addendum" section and/or "Supplementary Information" (Financial Disclosures/Grants)

4. Multiple submissions allowed. Multiple authors allowed. (Max. 3 submissions per presenting author)
  5. Word Count: 250 (does not include title, authors, or text embedded in graphs or graphics; maximum 2 graphics allowed)
  6. We prefer abstracts which have not been presented previously, but will consider abstracts if they have only been presented at one national/international conference within the last 12 months prior to submission. Author must identify the previous presentation venue verifying work was presented before a substantially different audience.
  7. Case reports/series: May be submitted but only with a trainee as the first and presenting author (undergrad, post-bac, medical student, resident, or fellow). The body of the abstract must contain the number of subjects in each of your study groups.
  8. Abstracts should be broken into four-header format: 1. OBJECTIVE, 2. METHODS, 3. RESULTS, 4. CONCLUSIONS. *The title, abstract body, and disclosures section must be free from identifying information about the authors or their institutions.*
  9. **SAVE & FINALIZE** when submission is completed. Once your submission is completed, submitter is required to click "Publish" and the submitter will receive a confirmation email to verify completed submission has been received.

## Review, Selection & Presentation

1. Abstracts will be reviewed by a minimum of 3 members of the CNS Scientific Selection & Program Planning Committee assigned by the committee chairs. Reviewers are blinded to author identity.
  2. Notification of acceptance and guidelines for presentation will be emailed to first author on or before **May 23, 2023**.
  3. Notification of non-acceptance will be emailed to first author on or after **May 26, 2023**.
  4. Authors presenting papers in platform/plenary session(s) will be required to adhere to ACCME financial disclosure/conflict of interest guidelines as defined by the meeting CME Sponsor, MN Medical Association.
  5. Abstracts accepted for presentation will be published in the *Annals of Neurology online* supplement. Submitting authors assume all responsibility for accuracy of information submitted and printed.
  6. Authors of abstracts accepted for presentation are required to register for the 52nd Annual CNS Meeting. A registered proxy listed as contributing author may present in the event that the first author is unable to attend.
  7. Authors are responsible for all expenses related to attending and presenting at the meeting. No honoraria will be awarded for poster or platform/plenary presentations.
