

2023 Training Director Award

Nominations are now being accepted for an annual award by the Child Neurology Society, and the Professors of Child Neurology recognize outstanding performance by a child neurology or neurodevelopmental pediatrics training director. The award recipient will receive a \$1,000.00 honorarium and plaque and will be recognized at the CNS Annual Meeting, in an upcoming issue of CNS Connections, and on the CNS website.

Eligibility Criteria

- Nominees should be a current or former child neurology residency program director.
- The award recipient should have demonstrated leadership and vision in local program development, curriculum development, innovation in teaching methods, or training requirements.
- The awardee should inspire in trainees and colleagues alike a passion for the practice of child neurology. Nominees must be living at the time of selection.
- Nominees may not currently be serving as members of either the CNS or PECN board of directors.

Procedure

1. Prepare a single PDF file with
 - a. A primary letter of nomination
 - b. Up to three additional letters of support
 - c. Nominee's CV. No signatures are required.
2. Email the PDF file to Monique Terrell, Executive Director, CNS (smterrell@childneurologysociety.org); cc Soe Mar, MD, President, Professors and Educators of Child Neurology (mars@wustl.edu)
- 3. Deadline: Complete nomination must be received on or before May 12, 2023**
4. Review and selection will be conducted by a joint selection committee comprising two members of the Child Neurology Society and three members of the Professors and Educators of Child Neurology (PECN).
5. The 2023 awardee will be informed of the committee's decision by June 2, 2023.
