

E-CONNECTIONS

Bringing CNS Members Together to Make Children's Lives Better

Nominations for the 2024 CNS Awards should be submitted on or before October 31, 2023

You can **nominate** someone or yourself for the Hower Award, Bernard Sachs Award, Brumback Lifetime Achievement Award, Gold Humanism Award, and Martha Bridge Denckla Award. The awards are designed to recognize those individuals who have done exceptional work in the field of pediatric neurology. Other CNS awards will open at a later date.

We have simplified the **nomination** submission process, requiring less time for you to submit. The Awards Committee will review nominations in November/December 2023.

Know someone worthy of this distinction? More information about the award, prize, past awardees, and the nomination process can be found under the Calling/CNS Awards tab on childneurologysociety.org or by clicking the button below.
