

Dear Dr. Terrell,

We are thrilled to announce that the 53rd CNS Annual Meeting will be held in beautiful San Diego, California, from November 11 to 14, 2024. This year's event promises to be an exceptional gathering of child neurology professionals, featuring cutting-edge research, engaging discussions, and invaluable networking opportunities.

We are also thrilled to share that the University of California Los Angeles (UCLA) and Children's Hospital of Orange County (CHOC) are two of our esteemed local hosts for this significant event. Their partnership underscores UCLA's and CHOC's commitment to advancing child neurology and their pivotal role as local representatives of the child neurology community. Their contributions will undoubtedly help make this event a huge success, and we are grateful for their support.

We look forward to welcoming you all to San Diego for what promises to be an unforgettable meeting. Be sure to mark your calendars and stay tuned for more information regarding registration, program highlights, and special events.

**See you in San Diego!**
