

The early bird may catch the worm, but early Child Neurology Society members get something even better... A discount on registration for the 2024 CNS Annual Meeting when booked **before July 31**.

The 53rd Child Neurology Society Annual Meeting is coming to San Diego, California, on November 11–14, and you don't want to miss it! With four exciting days filled with diverse panel discussions, educational seminars, cutting-edge research presentations, and first-class networking opportunities — plus three focused learning tracks and new learning formats — this year's event is lining up to be our best yet.

If you haven't already, don't wait to register. [Read more](#) about this year's scientific program, travel details, and hotel accommodations, then take advantage of early bird rates now to save up to \$100.
