

Dear Dr. Terrell,

November will be here before you know it, and so will the 53rd Child Neurology Society Annual Meeting. Have you registered yet?

Led by the brightest minds in child neurology, this year's event is coming to San Diego, California on November 11–14. If the beautiful weather isn't a big enough draw for you, consider the outstanding scientific program: Multiple focused learning tracks to deep dive into various field specialties and topics, varied learning formats to accommodate all learning styles, and first-class collaboration and information-sharing to keep you in the know about the latest breakthroughs and advancements in pediatric neurology.

Read more about the 2024 scientific program and other event details. You can't afford to miss it. **Register today!**

Every member counts because every child counts. See you in San Diego!

Monique Terrell
Executive Director, Child Neurology Society
