

## Corporate Partner Program

### CNS: Who we are

---

The Child Neurology Society is an inclusive professional organization whose mission is to promote the optimal care of children with neurological and developmental disorders by providing education, advocacy, and support for clinicians and researchers in child neurology.

We are a 501(c)(3) nonprofit organization with a vision to create a future where children with neurological and developmental disorders have equitable access to the best care and support and where professionals who care for them are recognized and valued for their contributions to the field of child neurology.

### How partnering with CNS can help your organization

---

Differentiating yourself from your competitors can be challenging. With our new corporate partner program, we're offering a select number of businesses a way to break through the clutter.

Aligning your organization with CNS will reinforce your role as a strong supporter of the child neurology community. We'll work with you to develop messaging and content to match your corporate objectives and area of focus, and help you cultivate brand loyalty through:

- Unparalleled **access** to connect with our members and decision-makers.
- Unique opportunities for **collaboration and thought leadership**.
- Prominent **visibility and recognition**.
- One-of-a-kind **positioning**.

### Opportunities for partnership at all levels

---

We understand that every organization has different priorities, goals, and budgets. To bring the most value to your business and our members, CNS is offering two tiers of involvement, each with differing levels of engagement:

#### Annual partnerships

- Mission Partner (\*highest level)
- Annual Partner

#### Event sponsorships

- CNS Annual Meeting sponsor
- CNS Annual Meeting supporter
- CNS Annual Meeting contributor
